

Data Visualization

Piedmont Diatom Diversity

Data Source: Paolovich, Valdez, 2005, U.S. Geological Survey, Coastal and Marine Geology Program, Woods Hole Science Center, Woods Hole, MA, NAD 1927

These maps represent a project undertaken for a local scientist. The image on the left represents four maps created for the scientist for use in a professional presentation. On the right, I demonstrate another method of visualizing the same data using a single map.
